SPECIAL RAEBARELI EDITION

## WITH MY RAEBARELI FAMILY

During a visit to his constituency of Raebareli, Rahul Gandhi engaged with residents to understand their issues and aspirations. He met with diverse community groups, including Dalit students, women social workers, and railway coach factory employees. He discussed key concerns of unemployment and inflation affecting the community. Rahul Gandhi expressed his wholehearted dedication to Raebareli's progress and solving his constituents' problems.

## “ RAHUL GANDHI SPEAKS

**You don't need to be afraid. You should ask questions, and you should ask this: We go to college, we go to university, we pay fees at private university colleges and get degrees, but these degrees have no meaning. You should ask Modi ji—why aren't you providing us with employment?"**

# PROTECTING ELECTORAL INTEGRITY

MY VIEWS

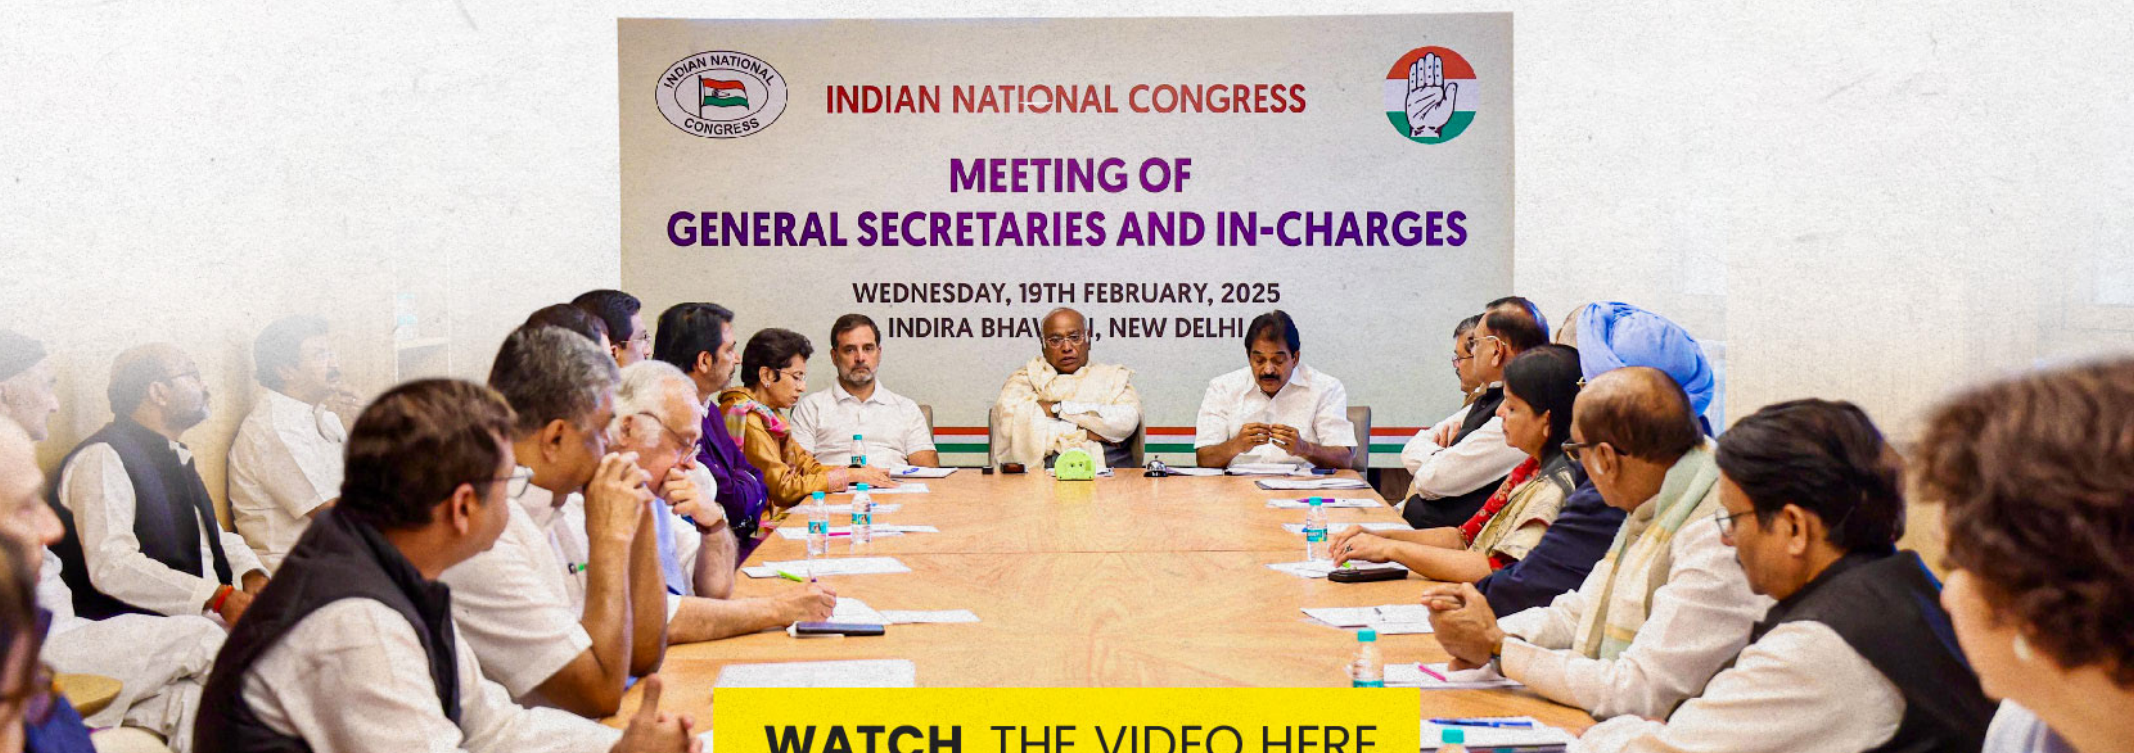

During the meeting to select the next Chief Election Commissioner (CEC), I presented a dissent note which emphasised that an independent Election Commission should be free from government interference. The Prime Minister and Home Minister’s midnight decision to select the new CEC—despite the pending Supreme Court review of the validity of the selection process—violates electoral integrity. As LoP, it is my duty to uphold the ideals of the Constitution and hold the government accountable.

## EVENT IN FOCUS

### STRENGTHENING THE CONGRESS PARTY

[WATCH THE VIDEO HERE](#)

Along with Congress President Mallikarjun Kharge ji, Rahul Gandhi led a meeting of Congress General Secretaries and in-charges at the new AICC HQ - Indira Bhawan. The meeting focused on strengthening District Congress Committees and establishing 2025 as the year for organisational reforms. Concerns were also raised by Rahul Gandhi about voter list irregularities and the Election Commissioners’ appointment process.
