[WATCH THE FULL RALLY HERE](#)

Rahul Gandhi joined Tejashwi Yadav and other senior leaders of the Mahagathbandhan to oppose the ECI's Special Intensive Revision (SIR) in Bihar. Rahul Gandhi called the SIR drive a direct attack on Bihar's future and said that the youth of the state would stop it.

Farmers explained that the PM Fasal Bima Yojana was taking their money and redirecting it to large private insurance companies. Adivasis also highlighted the increasing atrocities against them in Odisha and attempts made to snatch their land.

767 LIVES LOST AND NO JUSTICE

It breaks my heart to talk about the tragic rise of farmer suicides in Maharashtra, with 767 farmers taking their own lives in just 3 months. The BJP's silence is killing farmers while Modi ji is busy with his own PR spectacle.

BAHUJAN STUDENTS ARE DENIED THEIR SHARE

[READ THE ENTIRE POST HERE](#)

Recently, I learned about 66 brilliant Bahujan students who were denied overseas scholarships due to "lack of funds." Yet, the government always has money for the Prime Minister's foreign trips and lavish events. This reflects the BJP's open opposition to Bahujan education - cutting scholarships, closing schools, and using 'Not Found Suitable' to reject candidates. I urge the Modi government to reverse this unjust decision and ensure these students get their rightful chance to study abroad.
