## INDIA ALLIANCE VICTORIOUS IN JHARKHAND

**I want to thank the people of Jharkhand for voting for the INDIA alliance,** as well as the party workers of Congress, JMM, RJD, and CPI(ML)L for their hard work. This victory is a testament to our government's excellent performance and a rejection of the BJP's politics of fear. We will continue to work for a prosperous Jharkhand.

## THANK YOU WAYANAD!

**I am grateful that my Wayanad family has placed their trust in Priyanka.**

She will surely represent the people with dedication and determination. I am confident her leadership will help build our vision of a prosperous Wayanad, and together we will work tirelessly for their future.
